

always God Who liberates one from Satan's influence, and God's ear is especially attuned to the mediation of Mary, the Mother of His Son. Mary is FULL OF GRACE. She is the Mediatrix of God's every grace for all men, particularly for those who suffer much, including those who suffer from spiritual evils. The enmity between Mary and Satan, proclaimed solemnly by God in the Book of Genesis (Genesis 1:3 – 15) and manifested in our struggle with the dragon, make her the number one enemy of the demon. She will be the one to crush his head at the end of time!!!

The help of the Virgin, however, goes beyond the exceptional situations of the demoniac's. In man's every struggle against Satan and sin, it is always Mary who represents the extraordinary and irreplaceable. The demon is terrified of Mary. Pray the Rosary. It is an extremely powerful weapon against the devil and will give us strong protection and liberation from evil. Sr. Lucia of Fatima revealed that God conferred a power so great on the Rosary that there is no evil: personal, family or social that cannot be defeated by praying the Rosary with Faith.

Peace is what Our Lady promised us at Fatima if her wishes were granted: The Peace which gives serenity of heart and soul, a life of union with God, acceptance of our crosses and gratitude for the many blessings bestowed upon us each day. It is important to pray the Rosary together as a family in order to invoke peace in our homes, in our parochial communities, in workplaces, in nations and in the world. Wars and division of souls are the unequivocal signs of the presence of the devil, which in Greek means DIVIDER!

Mary's maternal help will always protect us from the danger of discouragement and give us the knowledge to know God's Will and the strength to do it. Mary will help us make of every occasion in our daily lives and act of love and reparation to God. Mary leads us to Jesus, and forms us into Him just as the Holy Spirit formed Jesus in Mary.

*St. Michael the Archangel is the most powerful Angel in our struggle against demons. Pray to St. Michael. Images, statues and an oratory niche in the home are a visible testimony the devil sees and so does our family. St. Benedict medals, Miraculous Medals, Crucifixes, Scapulars, holy water, blessed salt and blessed oil are powerful tools against Satan.

In the dim morning light, let us make our acts of **Faith, Hope and Love that we may share in God's own Love for Himself. We love God with the Love that God has given us, through the Immaculate Heart of His Mother. All that is self-seeking must be rejected and our hearts must be opened to the embrace of the all good and all lovable God! FAITH GIVES LIGHT! HOPE GIVES COURAGE! LOVE GIVES FIRE!

We share in the Light, Courage and Love of Christ. Our King. If we arm ourselves for this battle, Satan will be defeated, and sin and temptation will be no more!

Under the Umbrella of Satan

****PRAYER TO SAINT MICHAEL THE ARCHANGEL***

St. Michael the Archangel, defend us in battle. Be our defense against the wickedness and snares of the Devil. May God rebuke him, we humbly pray, and do thou, O Prince of the heavenly hosts, by the power of God, thrust into hell Satan, and all the evil spirits, who prowl about the world seeking the ruin of souls. Amen.

*****Prayers of:***

Act of Faith

O my God, I firmly believe that you are one God in three divine Persons, Father, Son, and Holy Spirit. I believe that your divine Son became man and died for our sins and that he will come to judge the living and the dead. I believe these and all the truths which the Holy Catholic Church teaches because you have revealed them who are eternal truth and wisdom, who can neither deceive nor be deceived. In this faith I intend to live and die. Amen.

Act of Hope

O Lord God, I hope by your grace for the pardon of all my sins and after life here to gain eternal happiness because you have promised it who are infinitely powerful, faithful, kind, and merciful. In this hope I intend to live and die. Amen.

Act of Love

O Lord God, I love you above all things and I love my neighbor for your sake because you are the highest, infinite and perfect good, worthy of all my love. In this love I intend to live and die. Amen.

Under the Umbrella of Satan - by the Exorcist Priest - Fr. Gabriele Amorth

We are called to love God and believe in Him, especially during the time of life's difficulties. The stormy times in our lives help us to move forward each day to the ultimate goal of our existence. How numerous are the demons which surround us! They are so many that, if they could be seen, the sun would be obscured from us. Before admitting the Angels to paradise, God subjected them to a trial of obedience and humility, of which we do not have details. The sin of the fallen angels was one of pride and disobedience. Satan tells his clients that they can do as they wish, without subjugation to God's Laws, they need obey no one, and they are a law unto themselves.

The Angels, who chose God, accepted submission to Him and were faithful to His plan of salvation. The Angels who rejected His plan were excluded from the vision of God and from eternal happiness. Does the devil know our thoughts! ABSOLUTELY NOT! Only God, Who is omniscient, can possess the secrets of created reality. The devil can only surmise our thoughts by observing our behavior. It is from our behavior that he is able to discern where and how he will be most effective in his temptations. "Brothers and sisters, be sober and watch, because your adversary the devil, as a roaring lion, goeth about seeking whom he may devour. Resist him, be firm in your faith." (cf. 1 Peter 5:8 – 9). Pride, money and lust are invitations for his seductive temptations.

Occultism is the great umbrella under which all the practices and forms of satanic adoration are gathered. The most significant of these are magic, astrology, fortune-telling and Spiritism. Satanists consecrate themselves through a ritual, to Satan. They are extremely dangerous souls. They honor him as a god and see him as a cosmic energy that is present in each man and in the world. When they call upon him, he will emerge in all his power to carry out their most atrocious perversions.

The principles under which they work are three:

1. The freedom to do all that they wish, claiming no man has the right to command them.
2. They are a god unto themselves. Whatever they wish to do, they do without limit.
3. All Truth coming from God is denied.

Their principles are greatly seductive to our youth. Baptized Christians are commonly called Children of God. But, for Satanists using this term is not conceivable. Satan does not desire brothers or friends, much less children. Satan desires only slaves whom he buys with his great lie of unchecked liberty which is the foundation of Satanism itself.

Many books and pamphlets circulate among the young people on the Internet with formulas of consecration to the Prince of Darkness. The powers that Spiritists call "gifts" can be tied to magic, clairvoyance, visions and apparitions, automatic writing and bilocation. Fly from such things and call upon the Virgin Mary for help. Whoever turns to witchcraft, occultism, fortunetellers and wizardry, commits very serious sins of superstition which are contrary to the Faith. Only the mercy of God can deliver souls from Purgatory and sin. To take part in something that tries to force the Hand of God to grant us what might not even be good for our souls, is not true piety.

Divination, magic and witchcraft are gravely contrary to the virtue of religion. The practice of séances and spreading of a cultural favoring magic have grown in correspondence with the general decline of the Faith. A demon is not driven out by another demon, but only with PRAYER.

Spiritism has evolved into a universal religion, guided by spirits of the dead and is expected to overcome traditional religions and draw all humanity into a new era of Brotherhood. Culturally and politically, it resembles Freemasonry. The spirit is evoked through a medium or the Ouija board, tables move and voices are heard. All this is completely contrary to Christian doctrine. There are no good spirits other than Angels and no bad spirits other than demons.

The New Age Spiritism is winning over many disoriented and lost souls today. Satanic rock music uses messages taken from Black Masses and occultism. They are lyrics that are actually hymns to the Prince of Darkness which poison the soul and the spirit, and ruin lives. Horror films disturb souls. Tattoos and piercing disfigure God's creation and defile the very temple of the Holy Ghost.

The devil's mission in the world is to seduce souls, to lead each man and woman on the wayward paths of sin; and the principal path of his tragic mission is the path of temptation. We must guard our hearts and our external senses from indecent spectacles: what is seen, heard and read. A good conscious is one that is conformed to the Will of God and His teachings, which have been given to us for our happiness and salvation, and are summarized in the highest degree in the Ten Commandments. Everything that seduces and enslaves souls leads to their death, which is Satan's objective. Temptation is conquered by vigilance, avoiding sin and praying because, without the help of God, we are not capable of conquering the seduction of sin.

Mary is the Mediatrix of all graces. Despite rampant sin and mankind's abandonment of God, the tribulations of the Church will have an end. Without Mary, little is accomplished in the struggle against Satan. It is
